# VOLLEYBALL

1. Typical Bluejay fan.
2. "Way to go, girls!"
3. "Boy, I'm thirsty."
4. "It wasn't my ball."
5. "New dance step???"
6. "What, that was in!"
7. "I'm ready when you are."
8. "I hope that the spike doesn't come to me!"
9. "I don't want this picture taken."
10. Top Row: Pam Korff, Diana Bryan, Joni Johnson. Bottom row: Christina Korff, Lori Adamson, Shirley Hill, Bonnie Bauserman, (not pictured).

The curtain opened with the players determined to crucify the newly formed WSC. Though they did their best they didn't quite get their act together to pull out a win.

Jewell was in good form for the second game against WSC and beat them. The rest of the season went very well.

Miss Quarles was a first year volleyball coach this year. She helped us pull out a victory and kept our spirits high—GOOD JOB, Miss Quarles!

Jewell had some close losses but just couldn't get the ball over for that final point.

# FOOTBALL

Coach Kaiser

Back row: Steve Hale, Leland Samuelson, Reggie Mitchell, James Wilkin, Loren Thompson, Ken Hill. Middle row: Jason McClure, Jon Collier, Tim Hammerberg, Marty Slagle, Roman Lee, Tim Wooley. Front row: Coach Jim Wilkin, Managers Dale Holmes, Brian Maxey, and Coach Louie Kaiser.

4. "Wow! You're suppose to do it that way?"
5. Mega Lee takes a break.
6. The Jays are ready for action.
7. Timmy blocks for the running back.

1. "Man, I wish I had my headband!"
2. The crowd waits as the coaches check Reg.
3. Loren running with speed and agility.

# GIRLS BASKETBALL

The girls basketball team started off on a bad foot by losing first to Astoria and then to Detroit. The Detroit game, however, did have one good outcome. It showed the team that they could play man-to-man defense. One of these wins was against CCA, which was ranked 6th in the state at the time.

After Christmas vacation, we lost our games against St. Paul and Perrydale. These teams were ranked 1st and 4th respectively.

Player inconsistency really hurt us this year. Losing two games to WSC was an example of the playing below our ability. So was the second game against CCA, when we committed too many fouls, and only Lori and Christina finished the game.

The bright spot of the season was getting a player to the All-Star team. Shawna Portrey was named to second team with Diana Bryan and Melissa Huppi getting honorable mention. These three girls and Lori were ranked in the top twenty players in the league.

1. "Don't worry girls, it's only ST. PAUL!"
2. Bluejays get the tip.
3. "My buddy and me!"
4. Melissa showing us her balance skills.
5. "Should I or shouldn't I?"
6. "I really don't want to see this!"
7. Lori shows us her great shooting form. (Without the ball).
8. "I know it's up there somewhere!"
9. Shawna gets one of her many fast breaks.
10. "It's got to go in!"

Back row: Diana Bryan, Melissa Huppi, Lori Adamson, Sandy Bogart.  
Front row: Christina Korff, Shawna Portrey, Jeanette Mason.

# BOYS BASKETBALL

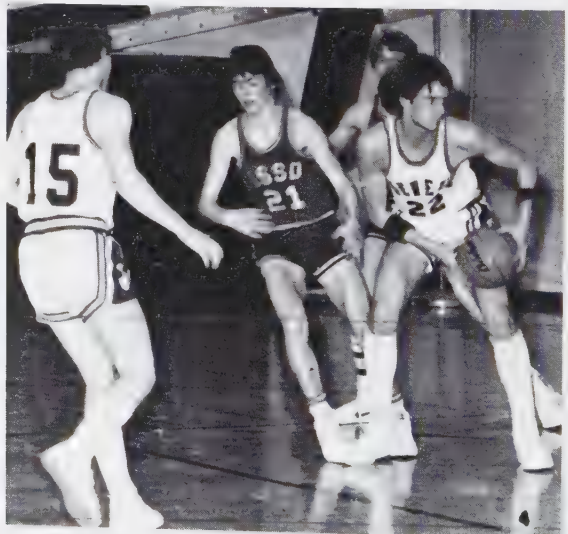

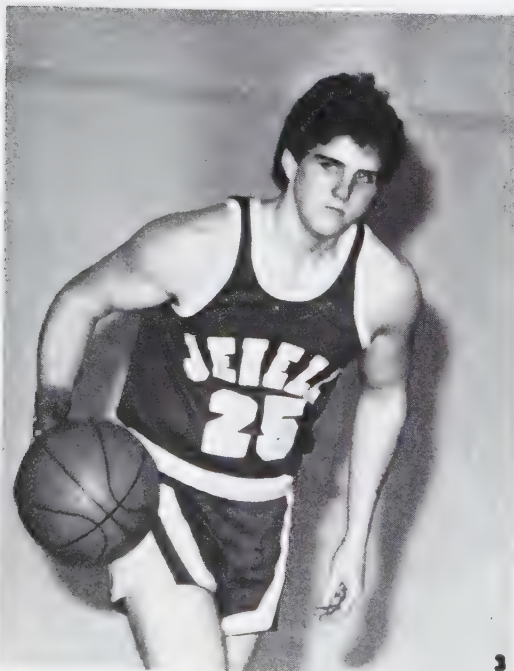

Another successful year for the Bluejays. While we are never happy with less than a championship, we can be pleased with our third place finish in league. Our record was 7 wins and 5 losses.

This highlight of the season was the win over St. Paul who eventually finished a very close second at state. The team played very well together with terrified teamwork. A slow game is more difficult to play than a wide open fast game. We played well.

We expect to be one of the league favorites next year as we lost only two members to graduation. The nucleus of the team will return and with a good attitude we EXPECT to go to state.

1. "Oh my gosh, we beat St. Paul!!!!"
2. "You take it, I don't want it."
3. Don't look so enthused, James.
4. And you thought you could stop me.
5. Rick puts up the team.
6. Dan Holmes, dreaming about the other cheerleaders.
7. Coach Smith thinking, "Oh no, not again!!"

# CHEERLEADING

The 1985-86 cheerleading squad felt a little uneasy at the beginning of the season because they were relatively inexperienced. But by the end of the season they looked very good. The cheerleaders would like to thank the girls who helped them with the "Angels Program."

1. "What are they doing?"
2. "Hey, we did it right!"

The 1985-86 dance team had seven dancers. They performed to "Dress You Up In My Love", by Madonna, and "Looking Out For Number One," by Frankie Stallone, at the pep rally to get everyone excited for the game.

They all did a very good job, dancing. We wish we could have seen them more.

# Dance Team

Back row: Sandi Brown, Bonnie Bauserman, Regina Miller, Shirley Hill.  
Front row: Joni Johnson, Rachel Lee, Lynn Hill.

1. "Is this the right move?"
2. "I'll be glad when this is over."
3. "Shake your bootie"
4. Looking good.

# TRACK

From left to right: Jon Collier, Steve Hale, Ken Logan.

2. "This thing is heavy."

3. "That seems awfully high."

4. Steve and Jon, doing what they do best.

The track season opened with high hopes and expectations, and an initial sign-up of nearly 20 students in grades 6-12. Illness, injury, and changes in personal priorities reduced the numbers to nine consistent participants, and kept the track program from approaching its potential.

Highlights of the season was a junior high track meet at home which gave us an opportunity to show off our facilities to four other schools. The other schools were suitably impressed, and very shocked that more of our students were not taking advantage of one of the finest athletic fields in this section of Oregon.

The individuals who stayed with the program showed considerable development during the season, and were able to score points in all but one track meet, even though we were competing against schools which were up to ten times larger than Jewell. The 1986 Track Team members can be justifiably proud that they represented their school well and honorably.

# FRESHMEN

The 1985-86 school year has been a busy one for members of the Class of '89. This class has completed several successful fund raising projects which have added much needed dollars to the class treasury.

The Christmas sale was successful, as many people in the valley and here at school bought many of the items they had on display. This was the biggest project of the year and took the energy of the whole class to pull it off.

The Frosh also put on a Pizza Feed during basketball to rake in some more coins. The on-going doughnut sale has been successful also, thanks to those with Friday morning sweet teeth.

However, in the midst of success, we had some disappointment with our Spring Sale and our button sales. Know anyone who would like to buy 500 buttons???

The Class of '89 has been an ambitious one and hopes to continue its success in the next three years.

The ambitiousness of the JH Sports teams this year was outstanding, thanks to dedicated coaches and players.

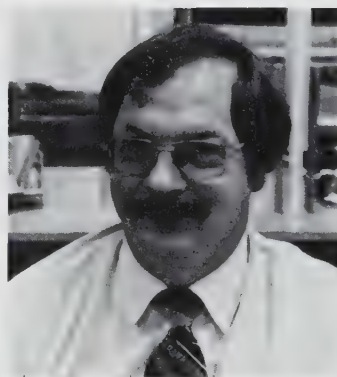

The players showed great potential for being future high school pros. They always gave it everything they had whether they won or not.

Although the crowds were small, the teams still hung in there because they could always count on their forever-true and supportive parents to be there.

Good job to all the teams, you were GREAT!

FIFTH

This year's 5th and 6th grades had a large number of characters, twelve 6th and eight 5th graders, a larger number than last year's productions.

Greek songs and dances led up to the highlight of the Greek Fair, the staging of the tragedy Iphigenia at Aulis by Euripides.

The Science Fair this year focused on learning about the human body. Students learned about good health practices. They filled the halls with colorful exhibits.

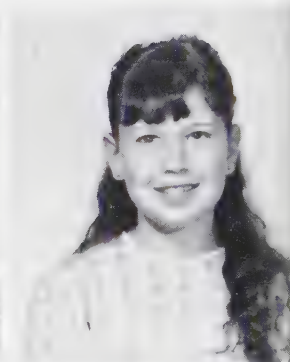

As always the most looked forward to event of the year was the swimming lessons at Astoria with the ever popular bus trips.

THIRD

"Are you sure that's the answer?"

Besides our normal class routine we had other interesting activities this year. Our Social Studies Fair was about Greece. We learned much about the country and its people by doing all our different projects. It was fun getting ready for the Health Fair. We studied about how our body parts work to make us a person and learned about the many people, past and present, who help us be healthy. Swimming was the favorite activity of the year, with the Spring School Track Meet and End of the Year Picnic being very popular, too.

# GRADES

The new primary classroom has enabled us to combine children in grades Kindergarten through second grade and let them learn at their own pace.

Of course there are the three R's to learn, but primary students this year have also done other exciting things.

For Halloween, students were transformed into monsters and paraded through the halls.

Cooking was a hit, especially during the social studies fair, when Greek food was prepared for the audience. We also learned about Greek myths.

Other popular activities have been the spring Health fair with its displays and exhibits, doing projects and using the computers.

1. Kathy Sinz, 1st & 2nd grade.
2. Troy Johnson looking cute as ever.
3. "He did it Ms. Sinz."
4. Cully getting ready for the big event.
5. "I think that one is mine."
6. Anonymous
7. Susan Miller, Kindergarten
8. De-e-licious!!!
9. ...and add some blue.

"Winning Disguises!"

Halloween... A great time to let your REAL self show!

# Elementary Plays and Programs

What a troupe of entertainers there are in the elementary grades. Their first appearance was in an assembly in October, where the focus was on work songs. Shortly afterword, they paraded through the halls dressed as their true selves.

There were two other main appearances, the Greek Fair in December (which there were no pictures available) and finally, the ever so popular Science Fair, with it's focus on Health.

"NO! Not that way!"

**C**ongratulations. You've just completed one journey and are about to start another. It's exciting. It's scary. It's inevitable. Like time, we also must keep moving. And like the Chinese proverb states, the journey begins with but a single step. Clatsop Community College provides a stepping-stone for many students and families seeking a quality, inexpensive alternative to attending a four-year state or private institution. For others, vocational programs provide the chance to acquire skills and knowledge to enter current and developing fields of employment. While at Clatsop, students enjoy personal attention and choose from a diversified, fully accredited curriculum. Before taking that next step, investigate the Clatsop option. It may pay to follow those who have already made the journey . . . one step at a time.
